PRINCIPAL UPDATES

Hello Garrison Families,

It's hard to believe that we're heading into another snowy weekend just as we were starting to see grass out there! We are gearing up for a busy spring here at Garrison, and I want to let you know about a few upcoming dates.

Our school budget was presented to city council this past Wednesday, and there will be a public hearing on it at the April 12th meeting at 7PM in city council chambers. Please come or email your city councilors about your stance on the budget. **Your voice matters!**

We have an amazing Artist in Residency coming up the week of April 17. Randy Armstrong and Theo Martey will be with us for a week teaching us about world music and dance. Please feel free to join us for a kick off assembly on Monday, 4/17 at 9:30. Randy and Theo will be joined by several other artists to put on a fantastic introduction to world music – they will have many, many instruments to share! www.randyarmstrong.com for more information, or listen to his Pandora station!

Our renovation plans are moving along – the Joint Building Committee will be interviewing construction management firms in the next few weeks, with an eye to starting our project this summer.

As always, please don't hesitate to reach out if you have any questions, comments, or concerns.

GUIDANCE UPDATES

Thank you to all the families who contributed to our “snack cupboard”! Both myself and those students in need of snacks are very appreciative.
